

SUSNANOFAB

Final Networking Event

Day 2

Friday, 24 February 2023

09:00 Welcome Note

Welcome to TU Wien

+ Nadja Adamovic, TU Wien

Welcome by Research Unit of Micro- and Nanosensors, an Overview of Activities

+ Silvan Schmid, TU Wien

09:20 Keynote Speaker

The new European Innovation Agenda and how nanofabrication is aligned with the flagships

+ Jana Drbohlavova, DG R&I

10:05 Invited Talk

European Materials Modelling Council (EMMC)

+ Nadja Adamovic, TU Wien & EMMC

AMI2030 Working Group I - Materials Digitalisation

+ Gerhard Goldbeck, EMMC

10:30 Coffee Break and Poster Sessions

11:00 Training Session: Nano-functionalization

Moderation: Mathieu Lions, IPC

Initiation to micro/nano surfaces texturing and eco-design

+ Lionel Tenchine, IPC

Multi-nanolayering technology: Enhanced barrier properties for plastic films

+ Florence Isnard, IPC

12:30 Invited Talk

ASCENT+ European Research Infrastructure for Nanoelectronics

+ Giorgos Fagas, Tyndall

12:45 Closing Remarks

+ Chiara Venturini, NIA

13:00 Networking Lunch
